DETAILED ACTION

Status

1. Claims 12-25 and 30-31 are currently pending in this application.

Priority

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

Allowable Subject Matter

5. The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 12-25 and 30-31:

The primary reason for the allowance of claim 12 is the inclusion of the method steps of: determining and listing a second plurality of particular values corresponding to functional states for said hardware components relative to a propagation of signals through said hardware architecture thereby indicating a state of propagation of information relating to said faults across the functional architecture; It is this/these features found in the claim(s), as they are claimed in the combination that has not been

found, taught or suggested by the prior art of record, which makes this/these claim(s) allowable over the prior art.

The primary reason for the allowance of claim 21 is the inclusion of the method steps of: creating a second list of particular values corresponding to functional states for said hardware components relative to a propagation of signals through said hardware architecture thereby indicating a state of propagation of information relating to said functional faults of said sensors and actuators across the functional architecture; It is this/these features found in the claim(s), as they are claimed in the combination that has not been found, taught or suggested by the prior art of record, which makes this/these claim(s) allowable over the prior art.

Claims 13-20, 22, 24-25 and 30-31 are allowed due to their dependency on claim 12.

Claim 23 is allowed due to its dependency on claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
